

## Data Use Agreement

This Data Use Agreement applies to datasets provided by the Florida Wildlife Corridor Foundation (FWCF). By downloading and using data provided by FWCF, the user agrees to the following:

**Data Ownership.** Florida Wildlife Corridor Foundation retains exclusive rights, title, and ownership of the copy of the dataset provided. User agrees to use reasonable effort to protect the dataset from unauthorized use, reproduction, distribution, or publication.

### Permitted Uses:

1. User may produce maps, tables, and/or reports, using all or portions of the dataset provided. Florida Wildlife Corridor Foundation must be cited as the source of the dataset in all products, publications, or presentations containing all or portions of the dataset.
2. User may use all or portions of this dataset, alone or together with other data, to perform original analysis. Any products, publications, or presentations based on such analysis must cite FWCF as a source for original data used in the analysis.

### Uses Not Permitted:

1. User shall not sublicense, sell, rent, lease, loan, transfer, assign or provide access to electronic versions of the dataset, in whole or in part, to third parties, including clients or contractors.
2. User shall not use all or portions of the dataset to create products for distribution and sale that rely principally on this data.
3. This dataset shall not be used in a web application or map service unless special written permission is granted by FWCF.

**Liability.** Florida Wildlife Corridor Foundation shall not be held liable for the accuracy or completeness of the dataset, or opinions or conclusions drawn from the data. Any person who uses these data agrees to indemnify, defend, and hold harmless FWCF and FWCF's officers, directors, employees, members, agents, and contractors from and against any and all loss, damages, claims, demands, liabilities and causes of action of any kind whatsoever arising from use of the dataset.
